

Do-It Corporation And Prismacolor® Create A Colorful Display

The Do-It R-51 Fold-Up Hang Tab provides display flexibility for the Sanford Prismacolor Colored Pencils tin. With the hang tab folded down, the product can be displayed on a shelf or in a bin. Folded up, the attractive tin can be hung on a peg hook or display strip.

The clear hang tab can be placed directly on the back side of the product without blocking any product information.

With the hang tabs folded down during shipment, Sanford can continue to use their original master carton boxes.
