

Display Strip Kit Makes It Easy To Promote Renuzit® Air Fresheners

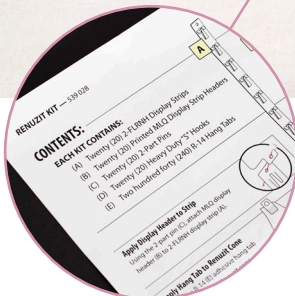

Do-It Corporation makes it easy for Henkel to offer retailers a simple, easy method of promoting Renuzit air fresheners anywhere in the store. The display strip kit contains everything needed for assembling twenty display strips: printed MLQ headers, 2-FLRNH display strips, 2-part pins, heavy-duty S hooks, assembly instruction sheets, and enough R-14 hang tabs to hang twelve Renuzit cones on each strip. Once assembled, the strip is a moveable display ideal for cross-merchandising.

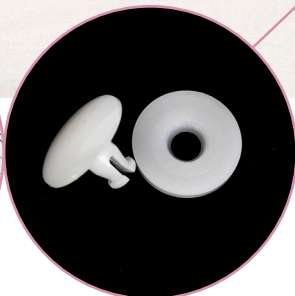

(20) MLQ Headers

(240) R-14 Hang Tabs

(20) 2-FLRNH Display Strips

Assembly Instruction Sheet

(20) 2-Part Pins

(20) Heavy Duty "S" Hooks
