Do-It PPE Face Shield

Item #539 706

100 Per Box

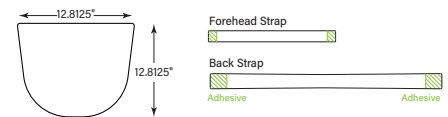

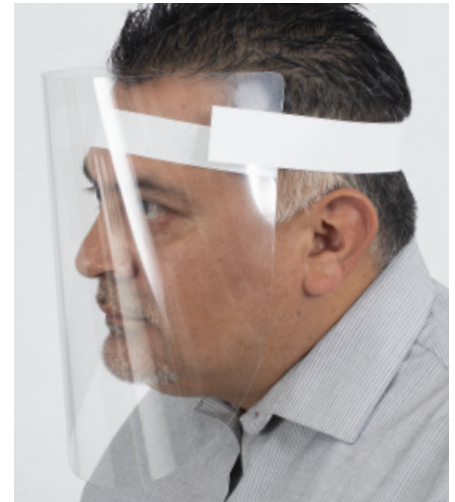

- 100 Shields
- 100 Forehead Straps
- 100 Back Straps

\$95.00 per box (\$0.95 per shield)

*View assembly video at:
https://youtu.be/ABU6_PEMfps

- Economy PPE Face Shields
- **Certified: ANSI Z87.1-2020 / D3 Standards**
Z-87 has passed the basic requirements for a face shield. D3 has passed the Face Shield Droplet and Splash Hazard Test.
- Basic self-assembly required.
- 100 components per box with instructions.*
- Made by Do-It with existing materials and capabilities.
- The shield size is based on an NYU design.
- The clear plastic Face Shield does not have anti-fog, anti-glare, or anti-scratch coatings.
- The shield design allows for ventilation around the forehead limiting the potential for fogging.
- Flexible forehead strap and back strap make for a comfortable custom fit to any head size.

Do-It Face Shields are intended to offer economical single-use emergency PPE for:

- First responders
- Institutional food service workers
- Retail cashiers
- Retail food service workers
- Nursing home care workers
- Health care workers at outdoor COVID-19 testing stations
- Non-intensive care – non-surgical health care workers

Shields are not intended to be sterile surgical/medical grade.

Do-It Large Format Design Services

Do-It Corporation provides display signs, banners, yard signs and specialty products. We provide custom design services and high-quality digital printing and converting. Design and layout services also available.

Custom Services Available

Do-It Face Mask Adapter

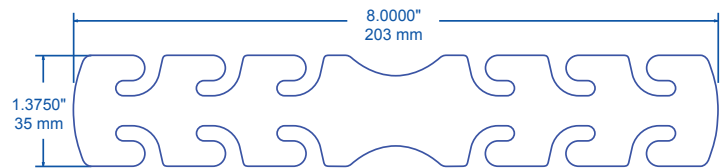

- Alleviates the pain and irritation associated with the long-term use of elastic straps.
- Simply loop the straps around the hooks on the adapter at the desired length and place the mask over your face and the adapter and elastic behind your head.
- The adapter holds the mask comfortably in place for as long as necessary.
- Designed to easily fit any cloth mask to almost any size head.
- Reusable.
- Made by Do-It with existing materials and capabilities.

Item #652 460

100 Mask Adapters Per Pack

\$32.00 per box (\$0.32 per adapter)

Do-It Hang Tabs

For almost 50 years, Do-It Corporation has been designing and manufacturing hang tabs to hang medical and essential products in stores, pharmacies, hospitals, and doctor offices.

All of the materials (plastic, adhesive, and liner) we use to produce Do-It Hang Tabs are considered non-toxic and non-hazardous and are FDA approved for non-food contact.

Thousands of products available. Call for specific information.

Do-It Seal Tabs

We offer a variety of seal tabs that seal your package, reseal your package, and in some cases, hang and reseal your package. Ideal for products that need to be opened and then sealed for later use.

Safe & Secure & Tamper Proof

Seal Tabs help prevent your e-commerce products from opening during transit. We offer custom solutions.
