

DO-IT CORPORATION

Your Partner in Source Reduction

- Give your product package an “environmental” overhaul. Make it environmentally friendly while making it more accessible to your customers.
- Reduce the overall amount of packaging on your product while increasing in-store display flexibility.
- Replace your bulky package with a streamlined look.
- Save on overall packaging costs.
- Hang more products in less space.

Reduce overall amount and cost of packaging

Eliminate shrink wrap

Give your package an “environmental” overhaul and make it more accessible to your customers.

Hang more products in less space.
