

Do-It's C-64 Gives Sugar 'N Spice A Dash of Additional Sales

Do-It Corporation's C-64 Round Hole Hang Tab lets Sugar 'N Spice add a Refillable Shaker Jar to their in-store spice display. The C-64 hang tab adheres securely to the curved, lightweight jar and hangs easily on the display. This additional product allows Sugar 'N Spice to offer an empty spice jar right next to their large variety of delicious spices.

The hang tab can be easily applied anywhere — at the store or at the packing facility. C-64 hang tabs are supplied on a sheet of 36 and are simple to use. Just peel, stick, and hang.
